

Susan Supports:

- Limiting growth, height and density
- Protecting our existing housing supply including rent control units
- Preservation and improvement of the city's trees, parks and beaches
- Preserving the integrity of the 3rd Street Historic District
- Decreasing traffic, improving parking, encouraging biking
- Curtailling fumes and noise at Santa Monica Airport
- Closing Santa Monica Airport in 2015
- Continued funding to support excellence in our schools
- Fiscal discipline rather than increasing taxes

Enough is Enough!

- Over 9,000,000 sq. ft. of commercial development (1980-2007)
- LUCE plans for 6 to 9 story buildings around Santa Monica
- Traffic gridlock, parking problems
- Tree destruction, beach degradation
- Tenant harassment and evictions
- Airport pollution
- Residents are ignored

Susan will listen to residents! Let's take back Santa Monica!
